To Whom it May Concern:

The Coordinated Transportation Solutions company has provided the Milford Public Schools with private transportation for our special needs students for several years. They have been an integral part of our transportation bid process and needs. They have provided and continue to provide great service and will do their utmost to accommodate the various scenarios that can happen day to day. We are proud to have them on our transportation team.

Feel free to contact me with any questions.

Sincerely,

Nereida Harding
